

We are excited to start Children's Church and Sunday School for our kids at FBC beginning September 6, 2020! We want things to be as normal for our kids as possible, but as we know there are still some guidelines we need to follow to make sure everyone stays safe and healthy.

Nursery Age children: 0-2 year olds

- Items and room have been sanitized and will be sanitized again after each Sunday use.
- There are no mask requirements for this age group.
- Please do not bring a sick child to the nursery this includes coughing and fevers.
- We ask they be fever free for 24 hours without Tylenol or other fever reducers. This is for the safety and respect of the other children and staff in the nursery.

Preschool-1st grade: 3-7 year olds

- Items and room have been and will be sanitized again after each Sunday use.
- Per the Governors guidelines, there are no mask requirements for this age group.
- No food or drinks will be allowed to be brought in to the class.
- Please do not bring a sick child to SS this includes coughing and fevers.
- We ask they be fever free for 24 hours without Tylenol or other fever reducers. This is for the safety and respect of the other children and volunteers in our SS classes.

2nd-5th grade: 8-11 year olds

- Items and room have been and will be sanitized again after each Sunday use.
- Per the Governors guidelines, masks should be worn to SS class. There will be times where they are able to social distance and remove masks during class at the teacher's discretion. (Same guidelines as if they were at school.)
- No food or drinks will be allowed to be brought in to the class.
- Please do not bring a sick child to SS this includes coughing and fevers.
- We ask they be fever free for 24 hours without Tylenol or other fever reducers. This is for the safety and respect of the other children and volunteers in our SS classes.

**Thank you for your help and we look forward to seeing "our" kids back at church!
Amber, Lauren, and Jenny**
